Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

Please see the attached communication regarding applicants' election (paper No. 9, filed 2/27/02).

Applicants' election of Group 2 is acknowledged. (Group 2 is claims 1-4, limited to subgenus G2 as defined in the previous Office action). However, applicants have failed to elect a specie. A "specie" is a fully defined molecule, with all substituents accounted for, and which is not described in terms of any generic names (e.g., alkyl).

Election of a specie within Group 2 is required. The time period for response (one month) is reset pursuant to this Office action. Failure to elect a specie will result in abandonment of the application.
